## BRIDGES TO CONTEMPLATIVE LIVING

*Presenter: Sr. Chris Machado, SSS*

Our Bridges program is continuing with Book One. We are actually repeating this process, having finished the complete eight-book series. If you have been thinking about trying Bridges, now would be an excellent time, as we have only completed a few sessions! The process gently leads people into a deeper, more contemplative and reflective mode of living. If you long for a life lived at a deeper and more enriching level this might be what you're looking for. Each session includes contemplative prayer, time for reflection and study of texts by Thomas Merton and other well-known spiritual writers, and contemplative dialogue with the group. This program has been such a life-changing blessing for those who have been attending, that many of those who completed the program are repeating the entire series a second time. We would be thrilled to have you join us!
