NEW YEAR'S RETREAT THE WOLF YOU FEED

Presenters: Sr. Chris Machado, Michael O'Palko

An ancient Native American legend from the Cherokee nation reveals that each of us has two wolves inside of us that we feed, depending on circumstances. Our retreat will explore and feast upon this concept as it relates to the world outside and our inner journey. We will focus on our individual stories and experiences; the struggles that occur in a violent world around us, the struggles that surface when attempting to walk a spiritual path of non-violence, what has been done to us, what we have done to others. We will feed upon the wisdom of Native American spirituality, Sacred Scripture, Thomas Merton, Gandhi and others. Together we will find nourishment to walk into the New Year ahead.

**Fee: \$275.00 single; \$225.00 shared
Commuter: \$150.00
Non-refundable deposit of \$30.00 due by December 27th**
