New Year's Retreat December 30, 31, 2013 and January 1, 2013

GRATITUDE IS A GARDEN: REAP WHAT YOU SOW

PRESENTERS: SR. CHRIS MACHADO, SSS MA

& MICHAEL O' PALKO

The nightly news provides us with a plethora of negativity, paranoia and an on-going list of things to fear. We need to consciously challenge our world to unleash a stream of positive actions in our daily life, to reflect upon them and gather them into a garden of gratitude to sustain us in the desert of our ongoing pilgrimage. Our retreat will focus on the tools that are necessary for reaping the goodness's we create for ourselves and others. We will use film, prayer, presentations, play and relaxation during our time together to explore our theme.

**\$225—single occupancy / \$200—shared occupancy/ \$125—commuter / \$30 non-refundable deposit with registration required by December 15.**
